

# Sustainable Energy and Atmospheric Sciences (SEAS) Seminars

## Location Details

---

### **NOAA David Skaggs Research Center (DSRC), Room GC402, Boulder**

Seminars in Boulder are held at the [David Skaggs Research Center](#), 325 Broadway, Boulder, Colorado. If you plan to attend and do not work at NOAA, please contact [Rhonda Lange](#) (Phone: 303-497-6045) at least one day in advance, so that she can give your name to the security office to facilitate your entrance to the campus. Visitors must have **photo identification**. International attendees are required to present a passport. We will have additional staff to hand out badges to visitors who call ahead. Please aim to **arrive at least a half hour early**, to allow time to get through security, and then enjoy coffee and cookies while meeting your old and new wind-energy and solar-energy colleagues.

### **National Renewable Energy Laboratory - Education Center (NREC), Golden**

Seminars in Golden are held at the National Renewable Energy Laboratory's [Education Center](#) in Golden, CO. If you have questions, please contact [Judy Will](#) at NREL (Phone: 303-275-3098).
